Docket No. CP2020-227

PUBLIC REPRESENTATIVE COMMENTS ON POSTAL SERVICE  
NOTICE OF FILING MODIFICATION TWO TO A  
GLOBAL RESELLER EXPEDITED PACKAGE CONTRACTS 2  
NEGOTIATED SERVICE AGREEMENT

(May 18, 2022)

The Public Representative hereby provides comments pursuant to the Commission's Notice in this docket.<sup>1</sup> In that Notice, the Commission reopened the above referenced docket to receive comments from interested persons on a Postal Service Request to enter into an additional Global Reseller Expedited Package 2 (GREP) Contract.<sup>2</sup>

Prices and classifications not of general applicability for GREP contracts were previously established by Governors' Decision No. 10-1, issued March 24, 2010.<sup>3</sup> In Order No. 1746, Commission approved the addition of the GREP Contracts 2 product (MC2013-51) to the competitive products list, and included a GREP Contracts 2 contract (CP2013-64) designated as a baseline agreement within the product.<sup>4</sup>

<sup>2</sup> Notice of the United States Filing Modification Two to Global Reseller Expedited Package Contracts 2 Negotiated Service Agreement, May 12, 2022. (Notice).

<sup>3</sup> See Request of the United States Postal Service to Add Global Reseller Expedited Package Contracts to the Competitive Products List and Notice of Filing (Under Seal) of Contract and Enabling Governors' Decision, Docket Nos. MC2010-21 and CP2010-36, March 29, 2010 (Request).

<sup>4</sup> PRC Order No. 1746, Order Adding Global Reseller Expedited Package Contracts 2 to the Competitive Product List Negotiated Service Agreement, Docket Nos. MC2013-51 and CP2013-64, June 13, 2013.

This is the second modification the Postal Service has filed in this docket. The first modification was approved by the Commission on January 21, 2021.<sup>5</sup>

The Postal Service states that the agreement that is the subject of this docket is set to expire May 31, 2022.<sup>6</sup> Attachment A indicates that the intended effective date of this Modification is June 1, 2022. Furthermore, Attachment A indicates that the Modification shall remain in effect until May 31, 2023. The Modification revises Articles 2, 6, and 8 of the Agreement, changes Article 11 to update the expiration date, and adds Annexes 1B, 2B, and 3A to the Agreement.

## COMMENTS

The Public Representative has reviewed the Postal Service's Notice, the Modification, and the supporting financial model filed under seal that accompanied the Notice. Based upon that review, the Public Representative concludes that the Modification should be approved. It appears the prices in the contract as amended by the Modification should continue to generate sufficient revenues to cover costs.

*Requirements of 39 U.S.C. § 3633.* 39 U.S.C. § 3633 requires that prices for competitive products must cover each product's attributable costs, not result in the subsidization of competitive products by market dominant products, and enable competitive products as a whole to contribute an appropriate share to the institutional costs of the Postal Service. In addition, the Commission requires that each contract included within a GREP product must cover its attributable costs.

The Postal Service's financial model indicates that the negotiated prices in the instant contract as amended by the Modification in this docket should generate sufficient revenues to cover costs and the addition of the contract to the product should also satisfy 39 U.S.C. § 3633.
